Excess Title IV Funds Usage Authorization Form

Student Name: ___________________________  Student ID: ___________________________

**Purpose of this Form**
Federal regulations require the university to only apply credits from Title IV funds to certain qualifying charges.

Title IV funds include:
- *Pell Grants*  
- *PLUS Loan*  
- *Direct Subsidized Loans*  
- *TRIO Loans*  
- *TRIO Grants*  
- *Direct Unsubsidized Loans*  
- *SEOG*

Qualifying charges include only the following:
- *Tuition*
- *Mandatory Student fees*
- *Room and board costs billed by the university.*

If your total of Title IV funds exceeds the total of these qualifying charges, **the university must refund that excess to you unless you give permission to do otherwise.**

This means that even if you have other non-qualifying charges (i.e., library fees, parking fees, short term loan repayment, Bear Bucks, late fees, health insurance, Habif Health Center charges, previous semester balances, etc.), the university will issue you a refund check and you will also still owe on your university student account for the non-qualifying charges.

To prevent this, you may give the university authorization to use the amount of Title IV funds that exceeds qualifying charges to cover the non-qualifying charges. You can use the form below to provide the university with this authorization.
